### **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA**

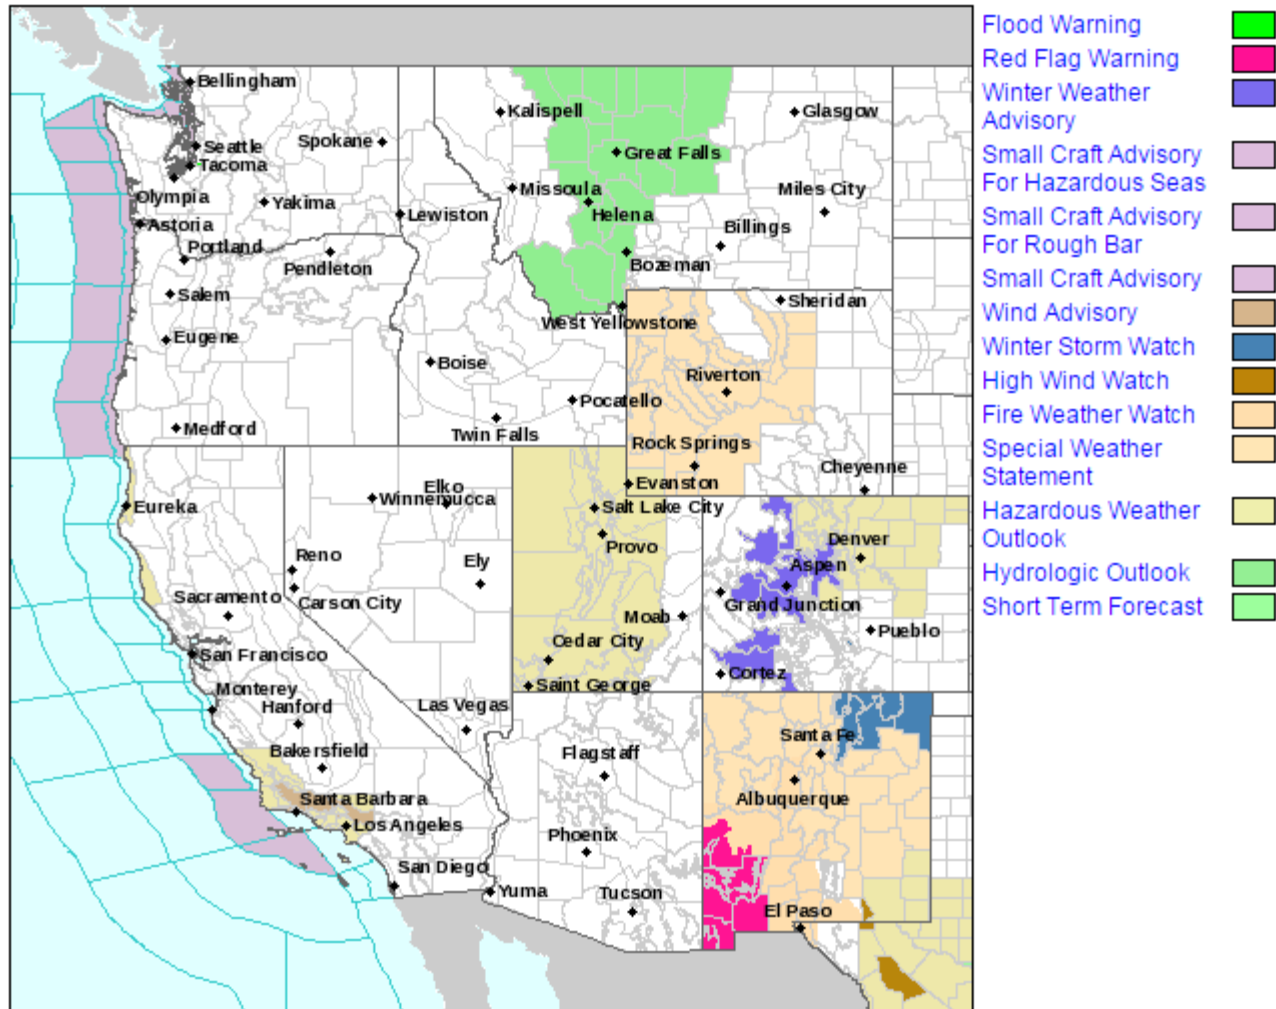

Temperatures are warmer compared to 24 hours ago and range from the 40s and 50s in the mountains to the 60s in the valley. Slow moving frontal system moving through northwest California this afternoon. The system will weaken as it spreads into the northern mountains and the northern Sacramento Valley this evening, but some isolated to scattered light showers will be possible. Drier and warmer weather on tap this week as upper ridging reestablishes itself over California. Warming trend expected into mid-week with highs in the Central Valley warming from the lower 60s today into the mid 70s by Wednesday, which is near record for a few locations. Patchy late night and morning fog will continue to be possible for the Southern half of the Sacramento Valley, Delta, and Northern San Joaquin Valley. Strengthening upper ridge and surface high pressure building through Oregon into the Great Basin will bring locally gusty North to East wind over portions of Interior Northern California Monday into Tuesday.

### **SOUTHERN CALIFORNIA**

A northerly surface pressure gradient will bring gusty northerly winds to portions of Southwest California from this evening through Monday morning. In Santa Barbara County, north to northeast winds will increase by 1800 hours to 20 to 30 mph with gusts up to 45 mph, and are expected to continue through 0300 hours Monday. By 2200 hours tonight, north winds will begin to affect the Interstate Five Corridor, with speeds 20 to 30 mph and gusts up to 45 mph. The gusty winds in this area will persist through 1000 hours Monday morning. A warming trend will continue to take shape over the coming days.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC is activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued Executive Order B-26-14 on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought, specifically through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- The Governor issued Executive Order B-29-15 on 04/01/15 which announced actions that will save water, increase enforcement to prevent wasteful water use, streamline the state's drought response and invest in new technologies to make California more drought resilient.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate the Community Impacts Workgroup conference calls. Currently, the calls take place on the first Wednesday of each month.
- Cal OES Recovery/Individual Assistance finalized an updated 2015 version of the drought brochure of programs and services for individuals, businesses, farmers, and ranchers. It has been put on the Governor's Drought webpage. State agencies may put the following link to the brochure on their webpage <http://ca.gov/drought/pdf/Drought-Assistance-Brochure-2015.pdf>
- Cal OES Regions (Inland, Coastal, Southern) collective OA drought call is facilitated by the SOC and will be held once per month.

# **CAL OES 2014 DROUGHT**

# CAL OES MISSIONS

## New Cal OES Missions

- **2016-LAW-21584, 1545 hours, 02/20/2016:** El Dorado County SAR requested five HRD K9 teams to search near South Lake Tahoe for a missing 69 y/o female who has been missing for five days. The MP is not in good health. Her vehicle was located at a remote parking area. Teams are to meet at EDSO in South Lake Tahoe at 0800. Cal OES K9 coordinator is arranging for the K9 teams. UPDATE as of 1915 hours, EDSO is requesting Placer County Nordic SAR team to assist with segmented search and probing. LDO is coordinating. Placer County Nordic SAR, Sgt. Hunt was advised and will attempt to fill the request.

## Ongoing Cal OES Missions

- **2016-LAW-21430 (Re-opened), 0800 hours, 2/20/2016:** Sacramento Sheriff SAR requested 3 HRD water detection and 3 area search K9 teams with flankers along with 10 type 2/3 ground searchers to meet at 0800 hours to resume the search for a missing 73 y/o male Indian citizen who walked away from his daughter's wedding on Grand Island. Cal OES K9 coordinator secured the K9 resources and El Dorado Sheriff filled the ground searcher request. Cal OES T-Comm unit provided a cache of 25 radios. LDO will be monitoring this search as it has gained media attention and the involvement of the US State Department. **UPDATE AS OF 1800, 02/20/2016:** Search suspended for the evening. Cal OES HRD K9 team alerted on a spot in the water north of Grand Island Mansion. Sac County DART will be responding to dive the area on 02/21 or 02/22/2016. **MISSION ON-GOING**

## Closed Cal OES Missions

- **2016-LAW-21590, 1821 hours, 02/20/2016:** AFRCC reporting a stolen PLB sounding in the City of San Francisco at the area of 16<sup>th</sup> and Kansas. **1830 hours,** AFRCC advised the PLB location changed to near 41<sup>st</sup> Ave/Pacheco in SF. While speaking to SFPD, AFRCC advised the PLB was plotting back to the original location and AFRCC had higher confidence in this location after several satellite passes. SFPD was asked to check the area behind a business complex where the PLB was plotting. **UPDATE AS OF 2150 hours,** AFRCC advised the PLB has stopped transmitting after several satellite passes. LDO contacted SFPD who advised their officers were unable to locate the device and cleared the call at 2107 hours. AFRCC closed their mission. **UPDATE 0200 hours.** The PLB began sounding again. LDO coordinating with CAP and SFPD to attempt to locate the PLB during daylight hours. **UPDATE 02/21/16, 0720 hours:** Per AFRCC the PLB is silent again. CAP advises they can accept the mission to locate and silence the PLB only should it reactivate. SFPD will have to recover it since it was reported stolen. **MISSION CLOSED**

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
